

# Backup Care

## Support when Parents Need it Most

**Ages 0-14, national availability**

Backup care supports parents when other childcare plans fall through. Employees can book backup care on a moment's notice at Vivvi's New York campuses or through our national network of in-home providers and partner schools.

**National Availability**

**Easy Access**

**Personalized Service**

“Vivvi was so fast to respond and help me fill in childcare for the week while my nanny was out unexpectedly. Speed was crucial to help me get back to work and feel that my children were in good hands.”
